I'm already testing... I love them

11月22日 周一

Wow, so glad to hear it

Could I know which colors you like?

You can tell me it's number

11:22

I think it's okay. I love the shimmers it's really nice, the matte I feel needs to be more creamy

Thank you so much for your feedback!! Wow, you are really good dear. I think you know the formula so well. The biggest difference between level A and B is the shimmer color

that's why level one is amazing

lol

哈哈

I'm glad I found your company

can I ask a question

Expt M: that's why level one is amazing yes!!

2:50

My pleasure

Look... I used some of your shadows in this look

I'm defining the shades trying them

Okay, wow

Wow, this makeup is from our
